Make Space for

STARBLADE™

Calling all Star Fighters! Do you read? Over.
Join forces with NAMCO and lock in on stellar winning. This space fighter launches you into a new realm of futuristic realism. Utilizing 3-D (polygon) graphics, a 42" parabolic mirror, quadraphonic sound, and a vibrating cockpit, this incredible simulator will gravitate players to your operation from other galaxies.

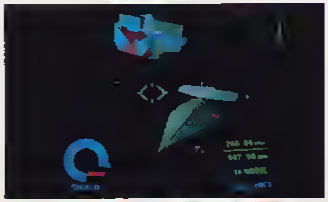
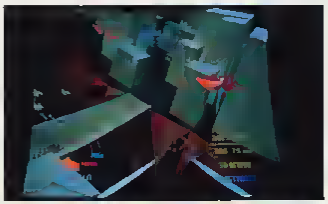
STARBLADE™

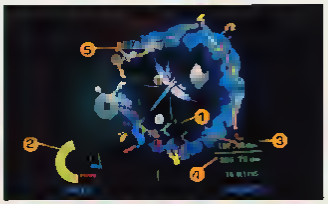


Massive enemy warship approaching

Top secret Enemy's Mechanized Planet Red Eye defense structure



Approaching Mechanized Planet Red Eye's surface. Advanced 3-D polygon technology portrays the magnificent illusion of space and the colossal size of objects



1. Laser gun sight
2. Remaining shield
   Shields decrease with each enemy hit
3. Flight distance
4. Target distance
5. On-screen explosion

Welcome to the world of STARBLADE where stellar earnings are the name of the game. Watch as players become absorbed, lost in space and time as they battle enemy starships in defense of the Mother Planet. Tension levels rise as players penetrate enemy lines and attack and destroy Mechanized Planet Red Eye—the ultimate goal. Watch your earnings rise as starfighters are pulled into your operation to compete for the game's top ranking. Then watch their triumphant smiles as they fly on screen past their name and ranking displayed in space in giant 3-D letters. Place your order today and add an instant cash booster to your operation. Every light year that passes means another dollar lost in space.
